Dear Community Partner,

The Lincoln Park Schools Education Foundation (LPSEF) was formed exclusively to support student, staff, facility enhancements, and success in the Lincoln Park Public Schools (LPPS). Our mission is to build partnerships between the community and our schools that enhance educational excellence; by providing independent funding for innovative and enriching programs that would benefit our students and staff. The LPSEF is a tax-exempt charitable organization (501c3 #47-4914229).

The LPSEF will:

- Enrich our public-school curriculum with programs and activities that provide diverse learning experiences to our students and challenge them to reach their greatest potential.
- Foster a culture of excellence in the District with the unique and creative opportunities available to staff through classroom and program mini-grants.
- Provide financial support for facility enhancements to benefit all stakeholders of our community.
- Give our teachers the opportunity to bring dynamic learning to the classroom.
- Provide numerous opportunities to recognize your support.

Over the past three years, the LPSEF has awarded over \$20,000 in grant monies and scholarships to LPPS teachers and students for creative and exciting educational opportunities. Some of this year's award winning grants cover the purchase of a 3-D printer, innovative science lesson materials, Aqua Joggers, STEM programming materials, CPR/AED training materials, Sensory Exposure, and Break Out Boxes to challenge the problem-solving skills of our 8th graders.

Our Annual Spring Spectacular will take place on April 11, 2019, which includes a live auction and raffles. We are asking for your support by donating a gift certificate(s) and/or items for the auction/raffle. The audience will consist of over 400 community members, city officials, our State Representative, teachers, administrators, support staff, Board of Education members, local business owners, and corporate sponsors. We will gladly recognize your donation in our event program, throughout the evening, and in various school-related publications throughout the year.

Please consider donating to this great cause. Your contribution will be tax deductible and used solely for the purpose of enhancing the experience of our staff and students. Together we can provide the staff and students of LPPS with everything they need to do their best!

Please send your donation to: LPSEF, 1650 Champaign Rd, Lincoln Park MI 48146 ATTN: Angela Black

If you are donating an item, please contact us at 313-389-0200 ext. 20309 to schedule an appointment or a pick-up!

Thank you for your consideration.
